

CORRECTIVE ACTION PLAN NOTIFICATION: PROBATION

State Form 53171 (12-06) / CW 2133

DEPARTMENT OF CHILD SERVICES

This letter serves as notification that a probationary action has been taken against your
_____ license due to the following area(s) of non-compliance
(type of license)

with licensing rules:

When a probationary action is taken, the licensee has 12 months in which to take corrective action in order to come into compliance with licensing rules relating to the area(s) of non-compliance. Failure to do so can result in the revocation of your license.

You will need to contact your family case manager or licensing worker in your local Department of Child Services office or licensed child-placing agency if you have questions regarding this notice of action and how best to address the issues. We appreciate your timely efforts to maintain your license and trust that we can continue to work together to successfully serve Indiana's most vulnerable citizens.
